D. Choose the correct answer.

Pompeii is an ancient town in Italy *which* was destroyed when a volcano *erupted* in 79 AD. The lava and ash from the eruption of Mount Vesuvius buried the town along with everything and everyone in it. So far, most of the site *has been studied* by archeologists *who* have uncovered many objects among the ruins. The town is now a popular tourist attraction and *is visited* by thousands of people each year. They *can* walk along the streets *which were* once a part of the busy market town and *are* now an important part of history.

**2017-2018 SPRING, WORKSHEET 6**

**KEY**

**2017-2018 SPRING, WORKSHEET 6**

**KEY**

O. Paraphrase each part of the given sentences in different ways. One example is given for you.

**Around 10 million girls a year get married by force before the age of 18 across the world, according to a UNICEF report released this year.**

1. each year about 10 million girls
2. about 10 million girls every year
1. are forced to get married before they turn 18 years old
2. are compelled to marry before they are 18
1. around the world
2. all over the world
1. UNICEF published a report this year that says that
2. a report that was published by UNICEF this year states

Combine these paraphrases into two different sentences.

1. UNICEF published a report this year that says that around the world each year about 10 million girls are forced to get married before they turn 18 years old.
- 2... A report that was published by UNICEF this year states that about 10 million girls every year are compelled to marry before they are 18 all over the world.
