How are you? I'm having ...**such**... a good time in Canada. I'm an au pair with a family in Alberta, and they are ...**so**.. rich! Their house is enormous. They have two children-Jacques is two and Nathalie is twelve months. They're ...**such**... good kids, but it's still really hard looking after them all day long. I feel ...**so**... tired in the evenings that I don't go out much. They have ...**such**... cold weather here, too! It's snowing already!

The parents are nice but they have ...**such**..... stupid rules in the house. For example, their plants are .....**so**.... special that I can't give them normal water. I have to use mineral water-from a bottle! Oh, but they have ...**such**..... a nice dog! His name's Jack and he's ...**so**..... cute! I have to take him for walks but he always has to wear his coat. It's ...**such**.... a ridiculous idea! See the photo attached! Anyway, speak soon!
